Source:	**Institution website · Published record**
Last Verified:	**July 2026**
Provider Affiliation:	**prov:000007 | Children's Wisconsin**
Catalog Cross-Reference:	**Pending**

Care4-Rare is a patient-synthesized reference built by someone born rare — a child whose parents never heard the diagnosis, who spent more than thirty years searching for two needles in the same haystack: the right diagnosis, and the doctor experienced enough to manage it. This directory exists so the next family finds both sooner.
