Provider Affiliation:	**prov:000009 | NYP Morgan Stanley Children's Hospital VAC**
Catalog Cross-Reference:	**Pending**

Care4-Rare is a patient-synthesized reference built by someone born rare — a child whose parents never heard the diagnosis, who spent more than thirty years searching for two needles in the same haystack: the right diagnosis, and the doctor experienced enough to manage it. This directory exists so the next family finds both sooner.
